Congrats to our very own Summer Robledo on being recognized as the 2023 Ambassador's Choice Award recipient with [The Chamber](#). 🏆

Summer serves the community in a multitude of ways, including as a Director at Large on the Foundation's Executive Committee. We are so happy to see her efforts acknowledged at today's Chamber luncheon. 🙌

SCUC EDUCATION FOUNDATION

HELP US GO BEYOND THE BASICS.

WHY YOU SHOULD GET INVOLVED WITH THE FOUNDATION.

You have an impact.

The Education Foundation directly impacts the lives of students and teachers by funding initiatives that enhance their learning experiences.

By supporting the SCUC Education Foundation, you can help provide scholarships to students and grants to teachers that positively shape the education and future of this district.

Engage with your community.

The SCUC Education Foundation provides a platform for community members to come together and collaborate in support of our district.

By getting involved, you can foster a sense of community, and build valuable relationships. Volunteering offers opportunities to network with educators, administrators, and other influential community members, creating a strong support system for our school district.

Volunteer & be inspired.

Ongoing & Consistent

Our Lessons Learned...

RECRUITMENT IS KEY!

Identify skill sets needed; balance is important. Share board agreement early in conversation, in orientation, and revisit regularly.

PURPOSE. PEOPLE. PARTNERSHIPS.

We are a purpose-driven organization that seeks to engage its people in a meaningful way (i.e. time, talent, treasure) while seeking and strengthening new and “old” partnerships.

WHEN ONE WINS, WE ALL WIN!

Collaboration is essential. We’re in this together. All hands on deck mentality.

DEVELOP A CULTURE OF STORYTELLING.

Practice makes perfect. Provide scripts for those less comfortable. Everyone needs to make their story their own eventually.

BE PRESENT...EVERYWHERE, ALWAYS.

Do not let your community forget about you, your mission, or the positive, lasting impact of your organization.

There is no (ONE) recipe for success;
it is as unique as you are!
